<b>Please note, all credit / debit card payments attract a 0.5% surcharge.</b>	

When is an Implement Traffic Control Application required?
<p>This application form is to be submitted when undertaking traffic control on Council land where an application to Stand Plant is not required. For example:</p> <ul style="list-style-type: none"> <li>Construction-related activities e.g. approval of a Traffic Management Plan (per Development Application requirements) or traffic control to access or exit a construction site</li> <li>Filming / photography activities e.g. barricading or the reservation of parking bay(s) on Council land or activity involving blocking and/or managing vehicular or pedestrian traffic</li> <li>Minor or major events e.g. activities involving blocking and/or managing of vehicular and pedestrian traffic</li> </ul> <p><b>About this Application Form:</b></p> <ol style="list-style-type: none"> <li>The application will not be considered for assessment until the required fees have been paid.</li> <li>Application fee is non-refundable if the application is not approved.</li> <li>All documentation as listed in Part 7: Declaration must be submitted. Failure to provide the required information may result in the application not considered for assessment and not approved.</li> <li>Depending on the activity, the processing time for the application is a minimum of 2 working days (48 hours) excluding weekends and public holidays.</li> <li>For applications involving construction works, a road closure or a minor or major event, the processing time for the application is a minimum of 10 working days excluding weekends and public holidays and may require a further approval by the Northern Beaches Local Traffic Committee.</li> <li>This application does not constitute an approval to proceed with any works. Works may only commence following receipt of the Approval Letter from Council. The Approval Letter must be kept on-site at all times during the period of Work.</li> <li>Implement Traffic Control approval does not exempt the applicant from their obligations to obtain separate approvals for Works Zone, Stand Plants, Building Waste Containers and Storage of Building Materials on Footpath and Road Reserve, when applicable</li> </ol>

## Part 1: Fees

Required fees	Fee amount (select one)
Application for Traffic Guidance Scheme (for minor events and filming / photography)	\$335
Application for Traffic Management Plan (for major events or approval of a Construction Traffic Management plan)	\$576

Will the works be carried out on any State or Regional Road or within 100m of traffic lights?	Yes      No
<p>If yes – a Road Occupancy Licence (ROL) approval from Transport for NSW is required to carry out work on State or Regional Road or within 100m of traffic lights. Allow up to a minimum of 10 working days notice for a Road Occupancy Licence (ROL). A copy of the Road Occupancy Licence (ROL) will need to be submitted before an Implement Traffic Control permit can be issued.</p>	
<p>If yes – a Road Occupancy Licence (ROL) approval from Transport for NSW is required to carry out work on State or Regional Road or within 100m of traffic lights. Allow up to a minimum of 10 working days notice for a Road Occupancy Licence (ROL). A copy of the Road Occupancy Licence (ROL) will need to be submitted before an Implement Traffic Control permit can be issued.</p>	

## Part 5: Filming/Photography

Filming/photography information	
Name and description of filming/photography	
Will the activity involve traffic control?	Yes      No
If yes – a Traffic Guidance Scheme (TGS) is required for submission to block and/or manage vehicular and pedestrian traffic. A Traffic Guidance Scheme must be prepared by an accredited Traffic Controller, in accordance with AS1742.3 and Transport for NSW Traffic Control at Work Sites Technical Manual.	
Will the road need to be fully closed?	Yes      No
If yes - a Traffic Management Plan (TMP) is required for submission to carry out a full road closure. A Traffic Management Plan must be prepared by an accredited Traffic Controller, in accordance with AS1742.3 and Transport for NSW Traffic Control at Work Sites Technical Manual. The processing time for the applications involving a road closure is a minimum of 10 working days excluding weekends and public holidays.	
Will the works be carried out on any State or Regional Road or within 100m of traffic lights?	Yes      No
If yes – a Road Occupancy Licence (ROL) approval from Transport for NSW is required to carry out work on State or Regional Road or within 100m of traffic lights via <a href="https://transport.nsw.gov.au/operations/roads-and-waterways/business-and-industry/road-occupancy-licences">transport.nsw.gov.au/operations/roads-and-waterways/business-and-industry/road-occupancy-licences</a> . Allow up to a minimum of 10 working days notice for a Road Occupancy Licence (ROL). A copy of the Road Occupancy Licence (ROL) will need to be submitted before an Implement Traffic Control permit can be issued.	
Will the activity involve barricading/reservation of parking bay(s) or on length of Council road?	Yes      No
If yes – a List of Production Vehicles and Parking Plan and is required for submission to barricade/reserve. The List of Production Vehicles must include the type, dimensions, weight and vehicle registrations. The Parking Plan must include the street, relevant properties, location and specific number of parking bays or length of Council road required. Please also indicate any other relevant information such as parking restrictions.	
Does the barricading/reservation include any metered/paid parking bays?	Yes      No
If yes - an Event Parking Permit Application may be required to park beyond the signposted hours in metered/paid parking bays. This permit requires approval from Council's Parking Operations staff. Allow up to a minimum of 10 working days notice for an Event Parking permit.	

## Part 6: Events

Event information	
Name and description of event	
Has Council previously approved the event?	Yes      No
If yes – provide Council reference number and year of previous approval	
What is the classification of the event per the TfNSW Traffic and Transport Management for Special Events Guidelines?	Class 1              Class 2 Class 3              Class 4
Information regarding the TfNSW Traffic and Transport Management for Special Events Guidelines via <a href="https://transport.nsw.gov.au/operations/roads-and-waterways/business-and-industry/event-management-guidelines">transport.nsw.gov.au/operations/roads-and-waterways/business-and-industry/event-management-guidelines</a>	
If Class 1 or Class 2 – a Traffic Management Plan (TMP) and Approval from NSW Police is required for submission to carry out the event. A Traffic Management Plan must be prepared by an accredited Traffic Controller, in accordance with AS1742.3 and Transport for NSW Traffic Control at Work Sites Technical Manual. The processing time for the applications is a minimum of 10 working days excluding weekends and public holidays.	
If Class 3 - a Traffic Guidance Scheme (TGS) and Approval from NSW Police is required for submission to carry out the event. A Traffic Guidance Scheme must be prepared by an accredited Traffic Controller, in accordance with AS1742.3 and Transport for NSW Traffic Control at Work Sites Technical Manual	
If Class 4 – an approval letter from NSW Police is required for submission for events conducted entirely under Police control. Allow up to a minimum of 10 working days notice for approval.	
Will the activity be carried out on any State or Regional Road or within 100m of traffic lights	Yes      No
If yes – a Road Occupancy Licence (ROL) approval from Transport for NSW is required to carry out work on State or Regional Road or within 100m of traffic lights via <a href="https://transport.nsw.gov.au/operations/roads-and-waterways/business-and-industry/road-occupancy-licences">transport.nsw.gov.au/operations/roads-and-waterways/business-and-industry/road-occupancy-licences</a> . Allow up to a minimum of 10 working days notice for a Road Occupancy Licence (ROL). A copy of the Road Occupancy Licence (ROL) will need to be submitted before an Implement Traffic Control permit can be issued.	
Will the activity involve barricading/reservation of parking bay(s) or on length of Council road?	Yes      No
If yes – a List of Production Vehicles and Parking Plan and is required for submission to barricade/reserve. The List of Production Vehicles must include the type, dimensions, weight and vehicle registrations. The Parking Plan must include the street, relevant properties, location and specific number of parking bays or length of Council road required. Please also indicate any other relevant information such as parking restrictions.	
Does the barricading/reservation include any metered/paid parking bays?	Yes      No
If yes - an Event Parking Permit Application may be required to park beyond the signposted hours in metered/paid parking bays. This permit requires approval from Council's Parking Operations staff. Allow up to a minimum of 10 working days notice for an Event Parking permit.

Signature	
Date	

## Part 10: Conditions

<p><b>1. Permit specifications</b></p> <p>The permit gives the applicant consent to conduct the activity only for the days approved and only at the area(s) nominated on the application form. Unless otherwise specifically approved in writing by Council, all works, processes, storage of materials, loading and unloading associated with the development are to occur entirely on the property. The applicant must apply for specific permits available from Council.</p> <p>Traffic Guidance Schemes, Traffic Management Plans and/or Construction Traffic Management Plans submitted with the application and prepared by a Transport for NSW accredited Traffic Controller, in accordance with Australian Standard 1742.3 – Traffic Control Devices for Works on Roads and associated handbooks or Transport for NSW - Traffic Control at Work Sites Technical Manual.</p> <p>The applicant must erect suitable warning signs and barricades in the area where the unit is being operated and/or when the unit is installed and removed. The roadway must be properly marked with an adequate number of traffic lane markers to control the flow of traffic.</p> <p>Where any part of the activity intrudes into the traffic lanes of the roadway i.e. further than 2.5 metres from the face of kerb), a Transport for NSW accredited Traffic Controller must be available to control pedestrians and vehicles in accordance with Australian Standard AS 1742.3.</p> <p>Goods and materials should be located within the construction site boundaries. A separate permit must be obtained in advance from Council for the Storage of Building Materials on Footpath and Road reserve. Additional fees apply.</p> <p>All building waste containers should be located within the construction site boundaries and shall not be placed upon a public land (roadway and/or footway). For works associated with the above, a separate Building Waste Container Application is required for submission locate a building waste container. Additional fees apply.</p> <p>Cranes, hoists, concrete pumps and other plants should be located within the construction site boundaries and shall not be placed upon a public land (roadway and/or footway). For works associated with the above, a separate Stand Plant Application is required for submission. For placement of cranes, hoists, concrete pumps and other plants. Additional fees apply.</p> <p>Council does not enforce or guarantee the reservation of kerbside/parking spaces. All barricades and necessary signposting shall be provided by the applicant and maintained during the period of the event by a Transport for NSW accredited Traffic Controller. Signage is to be erected advising the public of changes/restrictions to parking. The barricades and necessary signposting remains the responsibility of the applicant from the commencement of the installation of traffic control measures until removal of the traffic control measures.</p> <p>The approval of works on public land (roadway and/or footway) is regulated through the Local Government Act 1993 and associated Regulations. Any approval granted for this activity does not endorse or approve the design or structural adequacy of the works, system or operation for the purposes of satisfying a person's responsibilities under the Work Health and Safety Act 2011 and Regulations.</p> <p><b>2. Development consent</b></p> <p>If applicable, permits will only be issued where appropriate Development Consent, Development Application or Construction Certificate exists for the subject address.</p>
---

### **3. Public and site safety or access**

Responsibility for pedestrian and road users' safety rests with the applicant from the commencement of work until completion.

The work and management of pedestrians and vehicles shall comply with the Work Health and Safety Act, Traffic Guidance Schemes and/or Traffic Management Plans, where required, submitted with the application and is to be prepared by a Transport for NSW accredited Traffic Controller, in accordance with Australian Standard 1742.3 – Traffic Control Devices for Works on Roads and associated handbooks or Transport for NSW - Traffic Control at Work Sites Technical Manual. All Australian Road Rules in relation to traffic and sign-posted parking restrictions must be complied with.

Wherever possible, pedestrian and vehicle access to private properties shall be maintained. Where property access is affected, a minimum of 2 working days (48 hours) written notice must be given to affected residents.

### **4. Indemnity and public liability insurance**

The event applicant shall indemnify Northern Beaches Council against all claims for damage or injury that may result from the activity or occupation of part of the public way during the activity. A copy of the applicant's current public liability insurance providing coverage for a minimum sum of \$10 million must be supplied to Council before the permit will be issued.

It is the applicant's responsibility to ensure Council has a copy of the current policy.

### **5. Environment protection**

The applicant is responsible for any environmental pollution resulting from the activity. Should pollution occur, the applicant is responsible, at their own costs, for returning the affected area to its condition prior to the pollution.

If the applicant does not comply, Council may undertake the necessary work and the applicant will be required to reimburse Council for the cost of this work. On-the-spot fines can apply to corporations or individuals who fail to prevent pollution of public land - not less than \$4,000 per individual or \$8,000 per corporation as per the Protection of Environmental Operations Act 1997.

### **6. Permit to transfer and/or extend**

Permits may be transferred and/or extend to another date and activity may only commence following receipt of the approval letter from Council. Applicants wishing to transfer and/or extend must notify Council in writing no less than 2 weeks in advance in advance of the permit expiry date.

It is the applicant's responsibility to ensure the associated documentation is valid and affected residents, Transport for NSW, State Transit Authority, Forest Coachlines and/or Emergency Services are notified if permit is transferred to another date.

Permits cannot be transferred retrospectively.

### **7. Out of works hours**

The permit hours are 7:00am to 5:00pm, Monday to Friday and 8:00am to 1:00pm on Saturday. For works associated with a Development Application, a separate Out Of Work Hours approval is required approval to operate outside of these hours.

Council's Environmental Compliance staff require a minimum of 2 working days (48 hours), for processing from the date of receipt. If the permit is required in less than 2 working days (48 hours), an additional urgency fee will apply.

### **8. Cancellation**

Council reserves the right to cancel the permit at any time if the activity fails to comply with conditions of approval or any activity contravening the Roads Act 1993, Local Government Act 1993 or any other relevantly applicable legislation. This may include the issue of a Penalty Infringement Notice or institution of legal action.

THE PERMIT SHALL BE RETAINED AT THE SITE AND PRODUCED FOR INSPECTION BY AN AUTHORISED COUNCIL OFFICER AT ANY TIME DURING THE PERIOD OF THE PERMIT.

### **9. Notification**

When applicable, Council requires the following:

Notification letter – A minimum of 48 hours of written notice must be hand-delivered to residents and/or businesses. The notification letter must also include a contact phone number of the site officer for residents' enquiries. A copy of the notification letter is to be provided to Council.

A letter of approval – This may be required from affected residents, businesses, Transport for NSW, Sydney Buses, Forest Coachlines and/or Emergency Services.

### **10. Road occupancy licence**

A separate Transport Management Centre - Road Occupancy Licence approval must be obtained prior to submitting this application when any activity stands within 100m of traffic signals and/or stand on any State or Regional Road as listed below.

Any conditions specified in the Road Occupancy Licence that may impact their road network including approved hours of work will reflect Council's approval.

Transport Management Centre requires a minimum of 10 working days for processing from the date of receipt. The applicant must contact the Transport Management Centre to apply for a Road Occupancy Licence: Road Occupancy Unit (ROU), 25 Garden Street, Eveleigh NSW 2015 or PO Box 1625, Strawberry Hills NSW 2012, Phone: 8396 1513, Email: tmc\_piu@tmc.transport.nsw.gov.au.

### **11. Privacy protection notice**

Northern Beaches Council collects personal information to enhance our ability to provide services to our community. Your personal information is intended for use by Council staff only and will not be released to anyone other than you, unless your written authorisation has been obtained.

If you choose not to supply your personal information, it may result in Council being unable to provide the services you seek. You have the opportunity to access and correct your personal information by submitting this form. If you require any additional information, please read Council's Privacy Statement on the website.
