Part 7: Conditions to application notes

<ul style="list-style-type: none"> • Applications submitted prior to 5 business days of the requested time period will be subject to the standard application fee only. • Applications submitted within 48 hours of requested time period will be subject to an additional urgency fees. • Urgency applications must be made no later than 12pm in order to be processed the same working day. • Applications are only applicable for single days. Where applications are required for consecutive days, a separate application is to be submitted for each additional day. • Generally, a maximum of two (2) Out of Hours work applications per month/per development. • It is the responsibility of the applicant to provide sufficient information to Council to enable the application to be properly considered. Failure to do so may lead to refusal. • The applicant is to provide the details of any Development Application and Construction Certificate issued under the <i>Environmental Planning & Assessment Act 1979</i>, which authorises the work for which this Permit is required. Alternatively, they must provide an explanation as to why a CC is not necessary for the works. • The applicant must provide reasons why the work, subject of the Permit application, cannot be carried out in normal Northern Beaches Council construction hours; <ul style="list-style-type: none"> • 7am - 5pm Monday to Friday (demolition work 8am to 5pm Mon to Fri) • 8am - 1pm Saturdays (no demolition work on Saturdays) • Permits will not be granted for work on Sundays or Public Holidays (unless Council determines that exceptional circumstances exist). • Reasons related to occupant convenience or accelerated work programs will not usually be acceptable. • The applicant must demonstrate that consideration has been given to the impact of the activity on nearby residents, businesses (especially restaurants and the like), churches or other sensitive occupations. Council must be given sufficient details to satisfy itself that the activity will not create unreasonable noise, vibration, light-spill or impact on traffic and access in the locality. • The Applicant must describe accurately and in detail the work proposed and all associated activities. • The applicant must notify all nearby residents of the out of hours work once approved. The applicant must not carry out a notification to residents or occupants unless Council has first granted a Permit. A copy of the notification letter must be provided to Council prior to distribution. Failure to provide Council with a copy of the notification letter may result in the permit being cancelled and any future applications being refused. • If complaints are received of works occurring contrary to the approval, Council may refuse to grant any future permits. • Conditions are applied to permits. It is the applicant's responsibility to ensure these are adhered to. • Council reserves the right to vary the hours and or nature of works applied for in the application. • Failure to comply with this permit may result in the permit being revoked and a penalty notice being issued under the <i>Environmental Planning and Assessment Act 1979</i>.
