Standard Of Care
Northern Beaches Council Vacation Care operates in accordance with the requirements set forth by the Australian Children’s Education & Care Quality Authority (ACECQA) including the National Quality Framework (NQF) and the framework for school age care in Australia, My Time Our Place (MTOP).

Philosophy
Northern Beaches Council Vacation Care aims to provide the highest quality education and care service for children in a fun and safe environment.

At Northern Beaches Council Vacation Care we:

- Provide an inclusive and anti-biased approach to our education and care service which welcomes and includes all children and families regardless of ability, language, race, culture, gender, religion, socio-economic status, family structure or lifestyle, within the capabilities of the service
- Promote a positive environment where children have the opportunity to learn, explore, develop and be creative while fostering respect, self esteem and the unique contribution of each individual child
- Acknowledge play as a vital part of a child’s development and we encourage and support the principles of play through our programming by looking at the needs, interests and abilities of all children
- Promote teamwork and value staff whom we support through communication, training and development
- Build respectful partnerships with families and the community
- Value the natural environment in which we live and encourage children to love and respect nature, the land, animals and people, fostering an eco-friendly centre by recycling and discouraging waste
- Encourage children to explore social learning by developing new friendships, negotiate rules of play and be encouraged to develop independent cognitive skills.

General Information
Vacation Care is for children up to 12 years old attending primary school.
Children must have completed their first term of school to attend Vacation Care.
There are no cancellations, refunds, credits or transfers once your booking has been processed unless a medical certificate is supplied for the day/s missed within one week of the missed day/s.
Staff are employed from 7:30am to 6:00pm and children are to be signed in and out by a parent/guardian between these times. Children will only be allowed to leave the Centre accompanied by an adult nominated in your Hubworks registration. Notice in writing is required if the child is to be collected by anyone not nominated in your Hubworks registration. Centre staff will make an alternative arrangement if a person collecting the child appears to be under the influence of alcohol/drugs or if the child could be at risk - this is up to staff discretion.
Prescription medication can only be administered by staff with written permission from parents/guardians and be in the original packaging. Non-prescription medication is not permitted at Vacation Care. See centre staff for further details.
PG rated movies may be shown at the centre, please see staff if you have any concerns about this.
Every effort is made to provide the activities exactly as advertised in this brochure, however sometimes, due to circumstances out of our control, this is not possible. If an activity is cancelled we will try to provide another activity and inform families as early as possible, usually on the morning of the scheduled activity via signage at the centre.
Centre and Program rules are established for the safety and well-being of all children. Consistent disregard of rules may result in exclusion from the program following consultation with Council staff and Parents/Guardians.

What to Bring
Children need to bring a hat, lunch, snacks and a refillable drink bottle. We suggest you pack a frozen ice brick with your child’s lunch to help prevent the growth of bacteria and keep it cool until lunch time. Cooking activities may be part of the day’s program but they are not meal substitutes.

Children should not bring any toys (including mobile phones and MP3 players) or expensive jewellery to Vacation Care as they may be lost. Vacation Care will not be responsible for lost valuable items.

What to Wear
Please clearly label all items!
Sunhat and sunscreen – no hat means children may only be allowed to play in the shade. Children without hats may miss out on outdoor activities!
Parents – please apply sunscreen to your child every day before dropping them to Vacation Care. Sunscreen will be available at the centre for children to reapply throughout the day.
Clothing should be practical and sun smart. Singlet tops are not appropriate as exposed shoulders are prone to sunburn.
Please note that centres often do messy activities so be prepared for dirty clothes at the end of the day!! The Centre does not provide protective shirts for arts and crafts.
Covered shoes only – thongs, slides and most sandals are NOT appropriate or safe footwear at Vacation Care. ‘Wheelie’ shoes and Crocs are also inappropriate footwear for Vacation Care. Children who do not have appropriate footwear may not be able to participate in all activities.

Food
Help us be allergy friendly! Many children have allergies to various foods. Nut allergies are especially common.
Please help us by not providing any nuts or nut products (including peanut butter and hazelnut spread) in your children’s lunches and snacks.
Please provide healthy snacks and lunches. Lollies, sugary drinks and sweets are discouraged.
Please ensure your child has plenty to eat and a drink bottle to fill with water.

Hours of Operation
The program runs from 7.30am to 6.00pm each day.
In Centre Days

Activities vary throughout the day and allow for sessions of high and low activities. Incursions scheduled for certain days will usually run for a one to two hour period. The remainder of the day will include activities organised by the Centre staff. Each day will have a theme that will be incorporated into some of the activities during the program for the day.

Excursion Days

On excursion days, all children booked in must attend the excursion. Children and staff will travel by charter bus to each excursion venue. The bus will usually leave the centre at 9.30am and return to the centre at 4.00pm. Please ensure children are dropped off by 9.00am on excursion days.

There will be up to 80 children attending each excursion, with one educator for every eight children, ie ten educators, except when they are going on a swimming excursion when there will be one educator for every five children attending, ie sixteen educators.

A risk assessment with more details about each excursion can be viewed on the Vacation Care website prior to booking.

Information on time of departure for excursions, special requirements for the day, or late changes to the program, are displayed at the centre or are available by phoning the centre during opening hours. Parents/guardians are responsible for ensuring they have all information required.

Children will not be permitted to purchase food on excursions, please do not send money with your child to Vacation Care.

Fees & Payments

The daily fee is $72 per child.

Children who are collected after 6.00pm will incur a Late Pick Up Fee of $10.50 per five minutes late or part thereof.

A Late Payment Fee of $10.50 will be charged to accounts when they reach 28 days in arrears.

A Failed Transaction Fee of $2.75 will be charged to accounts for every failed transaction attempt in HubHello iPay.

A 10% deposit is required at the time of booking. This payment is processed via iPay when checking out after you have made your booking in HubHello BookMe. The balance owing will be debited to the account you have nominated in HubHello iPay. These balance payments are usually processed on the Thursday of week two each term.

There are no cancellations, refunds, credits or transfers once your booking has been processed, unless a medical certificate is supplied for the day/s missed within one week of the missed day/s.

Child Care Subsidy (CCS)

If you wish to claim Child Care Subsidy (CCS) you will need to complete an online Child Care Subsidy assessment using your Centrelink online account through my.gov.au. You will also need to provide us with the date of birth of the parent/guardian claiming the CCS, the date of birth of the child being enrolled and the Family Assistance Office Customer Reference Number for both the parent/guardian and the child.

Once your booking has been entered into our system you will receive an email from MyGov asking you to confirm your enrolment. You will then need to login to your MyGov account and confirm your enrolment/s for our Vacation Care service/s. CCS will then be applied to the fee charged for your booking.

We will charge you the gap between our daily fee and your CCS entitlement.

Centrelink will withhold 5% of all subsidy payments which is reconciled with families at the end of the financial year.

No CCS will be payable where children are absent from the first or last day of care they are booked in for each holiday period.

If you have any questions with regard to your eligibility for Child Care Subsidy please call the Family Assistance Office on 13 61 50.

Children With Additional Needs

Northern Beaches Council Vacation Care Programs are additional needs and disability friendly. However, before enrolment we do require detailed information about your child’s individual needs. If your child has high support needs, additional support may need to be accessed via the Federal Government’s Inclusion Support Subsidy (ISS). The application process can take some time as we consult with schools and complete an assessment to determine how to best meet your child’s needs at Vacation Care. Contact the Vacation Care Services Coordinator on 9942 2576 as early as possible to ensure that your child can access all aspects of the program.

Immunisation

Children who are not immunised are to be excluded for the duration of an outbreak of an immunisation preventable disease. Vacation Care is exempt from collecting and keeping Immunisation Records.

Vacation Care Booking Terms & Conditions

Registration
All children must be enrolled in Hubworks! (HubHello) to book into our Northern Beaches Council's vacation care services. This enrolment process only needs to occur the first time the child uses a particular service. Once you enrol your child in HubHello you will receive an email with your logon id and password for HubHello.

Bookings
Bookings for our vacation care program will open three weeks prior to the start of the school holiday period. All bookings are made using BookMe in the HubHello program.

Northern Beaches Council’s Vacation Care centres follow the Federal Government’s ‘enrolment priority of access’ guidelines. Priority of access will be given in the following order:
1. A child at risk of serious abuse or neglect.
2. A child of a single parent who satisfies, or of parents who both satisfy the work/training/study test under section 14 of the Family Assistance Act.
3. Any other child.

All enrolments indicating that they are eligible for priority of access will be assessed in accordance with the Federal Government Priority of Access guidelines.

Bookings can be made up to 24 hours prior to the commencement of the daily program and are subject to resourcing availability.

There are no cancellations, refunds, credits or transfers once your booking has been processed, unless a medical certificate is supplied for the day/s missed within one week of the missed day/s.

Children must have completed their first term at primary school to attend Northern Beaches Council’s vacation care program unless they are attending our pre-school Vacation Care program during the January school holidays.

Council reserves the right to review bookings received through BookMe and to withdraw bookings where families have monies owing from previous holidays or where we are unable to meet the needs of all children booked in on a particular day within the resources available.

Fees
The Vacation Care daily fee is $72.00 per child.

Child Care Subsidy (CCS) will be applied to this fee for families who have completed their Activity Test via the myGov website, and then confirmed their enrolment via myGov. Centrelink withhold 5% of all subsidy payments which is reconciled with families at the end of the financial year.

No CCS will be payable where children are absent on the first or last day of care they are booked in for each holiday period.

Late Pick Up Fee
Children who are collected after 6.00pm from the Vacation Care centre will be charged a late pick-up fee of $10.50 per five minutes late, or part thereof.

Late Payment Fee
A late payment fee of $10.50 will be charged to accounts when they reach 28 days in arrears.

Failed Transaction Attempt Fee
A $2.75 failed transaction attempt fee will be charged to accounts for every failed transaction attempt in HubHello iPay.

Payments
A 10% deposit is required at the time of booking. This payment is processed via iPay when checking out after you have made your booking in HubHello BookMe. The balance owing will be debited to the account you have nominated in HubHello iPay. These payments are usually processed on the Thursday of week two each term. Please ensure that the account details you have nominated in iPay are correct and that there are sufficient funds to cover your Vacation Care fees at this time to avoid the $2.75 failed transaction attempt fee.

Medical Treatment Consent
By booking my child into Northern Beaches Council’s Vacation Care program I give consent for the service to seek (i) medical treatment for my child from a registered medical practitioner, hospital or ambulance service (ii) transportation of the child by an ambulance service. I understand that I am responsible for any costs incurred.

In the event of an emergency, Northern Beaches Council will make all reasonable attempts to contact the enrolling parent, and any other emergency contact nominated. Should attempts to reach emergency contacts fail, parents are advised that under Clause 174 of the Children’s and Young Persons (Care and Protection) Act 1998, a medical practitioner or dentist is empowered to carry out treatment on my child in order to save his or her life or to prevent serious damage to his or her health. This authority granted by legislation does not relieve a medical practitioner or registered dentist from liability in respect of the carrying out of medical or dental treatment on a child or young person, being a liability to which the medical practitioner or dentist would have been subject had the treatment been carried out without my consent.

General Consent
By booking my child into Northern Beaches Council’s Vacation Care program I hereby give consent for the child/ren booked into the Vacation Care program to attend the prescribed activities on the days they have been booked in. I give permission for my child/ren to attend the excursions programmed on the days I have selected and have read the risk assessment on Council’s website and the excursion information contained in the School Holiday Activities brochure. I give permission for Northern Beaches Council Vacation Care staff to apply or direct my child to apply the centre’s sunscreen unless I provide my own sunscreen. I acknowledge that during my child/ren’s participation in the prescribed activities my child/ren will be exposed to the obvious risks associated with such activities. I indemnify Northern Beaches Council, it’s officers and agents and keep them indemnified against all claims, demands, actions and liabilities of any kind (other than due to wilful negligence) arising from my child’s participation in the activity. I understand that there are no cancellations, refunds, credits or transfers once my booking has been processed, unless a medical certificate is supplied within one week of the day missed. I acknowledge that G and PG rated movies may be shown at the centre. I declare that the information I have provided on this form and in my HubHello enrolment is correct to the best of my knowledge.
