ISSUE

Council has resolved to seek public opinion and ideas regarding the future use of Manly Town Hall.

BACKGROUND

Located in the heart of Manly, this iconic 84-year building is a centerpiece of the area with views of Manly Wharf. It has multiple and varying sized spaces suitable for a range of community purposes including workshops, meetings, performances and health and leisure activities.

Council is working towards consolidating our staff accommodation, so there is a unique opportunity to reimagine and revitalise the Town Hall and consider what it could be used for in the longer term.

Council wants to start the discussion early and hear community ideas about what this could be, keeping in mind that the building is heritage listed. This is the beginning of this process and there will be further opportunities for the community to get involved.

DISCUSSION

Council is asking the community the questions below:

Reimagine

Manly Town Hall has a rich history. It was remodelled several times in the early 20th Century, prior to the building you see now being constructed in 1937. The 'Stripped Classical' architectural style boasts four imposing pillars flanking the main entrance.

While we can't (and wouldn't want to) impact the heritage features of this magnificent building, we do want you to help us uncover its potential for the future.

How do you imagine Manly Town Hall could be used in the future?

Revitalize

Manly Town Hall was previously used by Manly Council as its main administration building, which included the Council Chambers. It has also been home to a range of community events and exhibitions over the years.

It is currently used by Northern Beaches Council as a customer service centre and for office space.

What ideas do you have that might help revitalize the space?

Activate

In the future we want to have a thriving hub that supports community including our residents and businesses as well as our visitors.

What do you think could bring vibrancy to this space?

Members of the community are asked to post ideas (big or small) on the Ideas Board on Council's website: <https://yoursay.northernbeaches.nsw.gov.au/manly-town-hall>

The Ideas Board is open until Wednesday 16 December 2020.

RECOMMENDATION OF EXECUTIVE MANAGER COMMUNITY, ARTS AND CULTURE

1. That the Community and Belonging Strategic Reference Group note the information provided.
 2. That Strategic Reference Group members discuss ideas in the meeting and contribute to the Ideas Board on an individual basis.
