BACKGROUND

I want to congratulate the Manly Warringah Gymnastics Club on their success at the recent 2021 Australian Gymnastics Championships

It is a remarkable achievement for the Club and congratulations to the 32 members who participated and came home with some amazing team and individual results including 13 Gold medals, 18 Silver medals and 12 Bronze medals. They competed as part of a State team of more than 500 competitors with New South Wales taking out first place. On the Northern Beaches we can proudly say that we have 13 individual, apparatus, and Team National Champions, 18 runners-up and 12 third place winners all between the ages of 8 to 18 years.

Manly Warringah Gymnastics Club is a community owned not for profit club that have been providing recreational and elite programs for all abilities for now over 40 years. It has over 2000 members and continues to grow. They have received many accolades including twice being named NSW Gymnastics Club of the Year, NSW Mens' Club of the Year seven times and more recently had 11 international representatives competing in 2019.

We know there is a huge demand for recreational programs and Manly Warringah Gymnastics Club also provide a huge range of activities other than just a gymnastics based program. The Manly Warringah Gymnastics Club continues to go from strength to strength. You only need to look at the increasing membership, numerous awards and variety of programs they offer to realise the integral role they play in providing vital recreational programs in our community.

The Club deserve to be recognised for their recent achievement and I know as a community we are always extremely proud of all competitors who dedicate a lot of time to training and take so much pride in representing their club at these competitions.

I ask Councillors to join me in congratulating Manly Warringah Gymnastics Club.

MOTION

That Council write and formally acknowledge the outstanding achievement by the Manly Warringah Gymnastics Club for its recent success at the 2021 Australian Gymnastics Championships.

Michael Regan
MAYOR
