

Memo to Councillors

Department

To: All Councillors
From: Jeff Smith, Director Corporate & Legal
Date: 21 February 2022
Subject: Item 8.1 Council meeting agenda - Councillor Inaugural Speeches
Record Number: 2022/099374

As all Councillors gave their inaugural speeches at the inauguration event on 16 February 2022, it is proposed that the recommendation of the report for Item 8.1 be amended:

From:
'That councillors who are yet to make an inaugural speech are invited to do so at the 22 February 2022 meeting.'

To:
'That Council note all Councillors made their inaugural speeches at the inauguration event on 16 February 2022.'

The speeches will be made publicly available on Council's website.

The original recommendation was prepared to accommodate any Councillor who could not attend the inauguration event on 16 February 2022. This recommendation is now worded so that the item is suitable for resolution by exception.
