RESOLVED BY EXCEPTION

13.1 CONTRACT EXTENSION - BUS SHELTER ADVERTISING

425/19 RESOLVED

Cr Philpott / Cr Grattan

That:

1. Council resolve pursuant to section 55(3)(i) of the Local Government Act 1993 that a satisfactory result would not be achieved by inviting tenders for the supply, maintenance and operation of bus shelters and associated advertising in the former Warringah and the former Pittwater areas because of extenuating circumstances by reason of the following:

   A. Council has an immediate and critical need to take the necessary steps to ensure that the service continues.

   B. In order to align all three existing agreements, Council is required to continue the
current service to December 2023.

C. Due to uncertainties in the market, the size and complexity of the service (including the capital expenditure required to modernise the service), a tender process for an interim period would limit the utility and competitiveness of the tender process.

D. The proposed contractor has the experience, expertise and resources to satisfy the requirements of the contract for an interim period.

2 Council approve an extension of the term of the current contracts with oOh!media Street Furniture Pty Ltd (formerly Adshel Street Furniture Pty Ltd) for the supply, maintenance and operation of bus shelters and associated advertising in the former Warringah and the former Pittwater areas to December 2023.

3 Authority be delegated to the Chief Executive Officer to negotiate, execute and administer as necessary the contracts for supply, maintenance and operation of bus shelters and associated advertising to give effect to this resolution.

12.3 PLANNING PROPOSAL 10-12 BOONDAH RD AND 6 JACKSONS RD, WARRIEWOOD
PEX2019/0003

Note: Councillor Amon left the chamber at 9:50pm having declared an interest in this item.

438/19 RESOLVED

Cr White / Cr McTaggart

That Council not progress the 2019 Planning Proposal lodged for 6 Jacksons Road and 10 and 12
Boondah Road, Warriewood to Gateway for determination for the following reasons:

1. It is inconsistent with the relevant Strategic Planning Framework being the Warriewood
Valley Strategic Review Addendum Report adopted 17 November 2014, amended 19
December 2017 by the Northern Beaches Council and incorporated in Clause 6.1
Warriewood Valley Release Area of the Pittwater Local Environmental Plan 2014.

2. The 2019 Planning Proposal has not demonstrated sufficient Strategic Merit or Site-Specific
Merit as required under the NSW Planning, Industry and Environment’s Planning Proposals:
A guide for preparing planning proposals (December 2018).

3. The 2019 Planning Proposal will exacerbate an existing under supply of open space land in
the Warriewood Valley Release Area through both the increased demand arising from the
additional unplanned residential population and the loss of a significant area of land that has
been identified and planned by Council for Open Space provision in the relevant Local
Strategic documents.

4. The Planning Proposal is inconsistent with the following applicable Ministerial Planning
Directions under Section 9.1 of the EP&A Act 1979:
   A. 1.2 Rural Zones
   B. 2.1 Environment Protection Zones
   C. 2.3 Heritage Conservation
   D. 4.1 Acid Sulfate Soils
   E. 4.3 Flood Prone Land
   F. 4.4 Planning for Bushfire Protection
   G. 7.1 Implementation of the Metropolitan Strategy.

5. The proposed four storey residential flat building development envisaged by the 2019
Planning Proposal on 10 and 12 Boondah Road is considered to be excessive in building
height, scale and density when compared with the local character context of the Warriewood
Valley in the vicinity of the site and having the regard to environmental constraints of the site.
The proposal is inconsistent with the relevant design principles of State Environmental
Planning Policy No. 65 - Design Quality of Residential Flat Development, particularly in
respect to the proposed 15m maximum building height standard and the proposed yield of
110-130 dwellings.

6. The proposed construction of active open space (new synthetic surfaced sports fields) on 6
Jacksons Road and the proposed residential flat building development on 10 Boondah Road
is unacceptable as it would involve the destruction of areas of remnant Swamp Oak
Floodplain Forest, being an Endangered Ecological Community (EEC) of significant
biodiversity value.
7. The proposed residential flat building development on 10 and 12 Boondah Road is unacceptable as it would involve the destruction of an area of remnant Bangalay Sand Forest, being an Endangered Ecology Community (EEC) of significant biodiversity value.

8. The 2019 Planning Proposal is inconsistent with the following Planning Directions and Priorities of Council’s Towards 2040 Draft Local Strategic Planning Statement (Draft LSPS):

   A. **Direction – Landscape:**
      - Priority 1 – Healthy and valued coast and waterways
      - Priority 2 – Protected and enhanced bushland and biodiversity
      - Priority 5 – Greener urban environments
      - Priority 6 – High quality open space for recreation.

   B. **Direction – Resilience:**
      - Priority 8 – Greater community resilience to natural hazards and climate change.

   C. **Direction – Infrastructure and Collaboration:**
      - Priority 9 – Infrastructure delivered with employment and housing growth.

   D. **Direction – Housing:**
      - Priority 15 – Housing supply, choice and affordability in the right locations.

9. The “Site-Specific” 2019 Planning Proposal to enable the proposed four storey residential flat building development and open space purposes is considered to be pre-emptive and it would create an undesirable precedent in light of Council’s Towards 2040 Draft LSPS which has recently been on public exhibition and includes the following Actions:

   A. Action 6.5 – Investigate the provision of sports fields in new housing development areas including Warriewood Valley and potentially Ingleside.

   B. Action 15.1 – Prepare and implement a local housing strategy.

   C. Action 15.2 – Develop LEP and DCP controls informed by the local housing strategy to ensure the supply and mix of housing responds to community needs.

10. The 2019 Planning Proposal is considered to be inconsistent with the following Directions and Objectives of the Greater Sydney Region Plan:

   A. **Direction for Livability:**
      - Objective 7 – Communities are healthy, resilient and socially connected.
      - Objective 13 – Environmental Heritage is identified, conserved and enhanced.

   B. **Direction for Sustainability:**
      - Objective 27 – Biodiversity is protected, urban bushland and remnant vegetation is enhanced.
      - Objective 30 – Urban Tree Canopy cover is increased.
      - Objective 31 – Public Open Space is accessible, protected and enhanced.

11. The 2019 Planning Proposal is considered to be inconsistent with the following Directions and Planning Priorities of the North District Plan:

   A. **Direction for Livability:**
      - Planning Priority N3 – Providing Services and social infrastructure to meet people’s changing needs.
B. **Direction for Sustainability:**

Planning Priority N16 – Protecting and enhancing bushland and biodiversity.

Planning Priority N19 – Increasing urban tree canopy cover and delivering Green Grid connections.

Planning Priority N22 – Adapting to the impacts of urban and natural hazards and climate change.

Planning Priority N23 – Preparing local strategic planning statements informed by local strategic planning.

12. The development of sports fields at 6 Jacksons Road as envisaged under the 2019 Planning Proposal is considered to be inconsistent with Clause 6.1(4) of the Pittwater LEP 2014 as it does not provide for the rehabilitation of aquatic and riparian vegetation habitats and ecosystems within the Narrabeen Creek Line Corridor within the full extent of the creek line corridor as shown on the Urban Release Area Map of the LEP.

17.0 CONFIDENTIAL MATTERS – CLOSED SESSION

NOTE: Council moved into closed session at 10:44pm.

445/19 RESOLVED

Cr Regan / Cr Bingham

That:

1. In accordance with the requirements of section 10A of the Local Government Act 1993 as addressed below, Council resolve to close the meeting to the public to consider and discuss:

   A. Item 17.1 RFT 2019/113 - Public Art Artist Panel on the basis that it involves the receipt and discussion of commercial information of a confidential nature that would, if disclosed, prejudice the commercial position of the person who supplied it [10A(2)(d(i)) Local Government Act 1993].

      This report discusses commercial tenders. On balance, the public interest in preserving the confidentiality of the information about the matter outweighs the public interest in maintaining openness and transparency in Council decision-making because the disclosure of this information would result in the release of commercial in confidence information.

2. The resolutions made by the Council in closed session be made public after the conclusion of the closed session and such resolutions be recorded in the minutes of the Council meeting.

NOTE 2: Councillor Daley left the chamber at 11:03pm.

460/19 RESOLVED
Cr Warren / Cr Regan
That Council:

1. Acknowledges the huge commitment shown by the Northern Beaches district rural fire brigades, who have sent crews and trucks to some part of NSW every day since 1st August to fight bushfires. There has been no break and many days there have been 120 local volunteers in the field, meaning thousands of hours committed from this district alone.

2. Acknowledges that since August the NSW bushfires have destroyed nearly 3million hectares of bushland, killed 6 people and many thousands of native animals including an estimated 2000 koalas, destroyed more than 700 homes and emitted 250m tonnes of CO2, half of Australia’s usual annual carbon emissions.

3. Calls on the State Government to review relevant legislation so that volunteers are not financially disadvantaged as a result of volunteering from prolonged fire fighting, and writes to the Premier and appropriate ministers to advise as such.

4. Calls for a LGNSW Bushfire summit with all relevant stakeholders to be held as soon as practicable, and writes to LGNSW to advise as such:

   A. Request the Northern Beaches Rural Fire Service Chief for a position on whether they see value in a summit specifically for metropolitan fires.
5. Request that the Chief Executive Officer consider formally offering the Special Leave provisions of the Local Government Award to employees called up by the SES and RFS for the current bushfire season.

6. Commends NSW Environment Minister Matt Kean for his recent leadership on the climate emergency and reducing emissions within NSW and writes to him as such.

7. Writes to the Prime Minister and Environment Minister to inform them of the actions of this Council.

MATTER OF URGENCY – APPRECIATION OF STORM RESPONSE

NOTE: Councillors Amon, Daley and White returned to the chamber at 11:08pm.

461/19 RESOLVED

Cr Sprott / Cr Regan

That Council:

1. Recognises the excellent preparation and clean up work by staff in safe guarding the community in the recent storms including the first catastrophic rated event that this council has had to deal with and in the recent storm damage where downed trees left some residents without power for long periods of time.

2. Recognises the compassion and professionalisms shown by staff in organising text messages, free showers, and checking on our most vulnerable during these times of danger.
