Date: 16 December 2019

Subject: Late Agenda Item for the Council Meeting 17 December 2019 -
Station Beach

Record Number: 2019/718568

Dear Mayor and Councillors,

I refer to a Late Agenda Item for the Council Meeting 17 December 2019 in relation to Station Beach. The report will be made available today.

In accordance with the Off-Leash Resolution (Resolution) of Council from the meeting held 27 August 2019, Council submitted a licence application to conduct a Station Beach Dog Off-Leash Area Trial (Trial) to the NSW Department of Planning, Industry and Environment - Crown Lands. A licence is yet to be granted to Council. Council's intent and the community's expectation was the trial be initiated by December 2019.

This Late Agenda Item is to propose an interim option for Station Beach. Notwithstanding the outcome of the consideration of this item, Council staff will continue to pursue a licence to conduct the Trial.

Should you require any further information about matters raised in this memo please contact my office on 9970 1372.
