Dear Councillors

Administrative errors have been corrected in the following reports for the February Council Meeting:

- **Item 7.1** – Mayoral Minute No 01/2021 – Recognition of our Rural Fire Service and State Emergency Services Volunteers

The correction is to include the following brigades under Point 1 - Catering, Communications and Cadets - and adjust the associated funding.

- **Item 13.3** – Outcome of public notice of proposed reclassification of Council land at 40 Stuart Street, Manly

An additional verbatim submission has been included as No 64 in Appendix 1 to Attachment 1 of the report - Community and Stakeholder Engagement - and the 'total submissions' figure has been updated from 65 to 66. As the submission had been incorporated in the original analysis, the findings have not been impacted by this change.
