VOTING**FOR:** Unanimous**CARRIED****19.0 CONFIDENTIAL MATTERS – CLOSED SESSION**

NOTE: Council moved into closed session at 9:56pm.

027/20 **RESOLVED****Cr Regan / Cr Bingham**

That:

- A. In accordance with the requirements of section 10A of the Local Government Act 1993 as addressed below, Council resolve to close the meeting to the public to consider and discuss:
- a. Item 19.2 RFT 2020/005 - Installation of a Solar Photovoltaic System at Manly Andrew 'Boy' Charlton Aquatic Centre on the basis that it involves the receipt and discussion of commercial information of a confidential nature that would, if disclosed, prejudice the commercial position of the person who supplied it [10A(2)(d(i)) Local Government Act 1993].

This report discusses/provides advice concerning the installation of a solar system on a Council facility. On balance, the public interest in preserving the confidentiality of the information about the matter outweighs the public interest in maintaining openness and transparency in Council decision-making because the disclosure of this information would prejudice the commercial position of tenderers.
 - b. Item 19.6 RFT 2020/011 - Commercial Building Upgrade and Office Fit Out Works at 52 Raglan Street Manly on the basis that it involves the receipt and discussion of commercial information of a confidential nature that would, if disclosed, prejudice the commercial position of the person who supplied it [10A(2)(d(i)) Local Government Act 1993].

This report discusses details of tender submissions and the disclosure of this matter in open meeting would, on balance be contrary to the public interest in maintaining openness and transparency in council decision making because the disclosure of this information would prejudice the commercial position of the person who supplied it.
- B. The resolutions made by the Council in Closed Session be made public after the conclusion of the Closed Session and such resolutions be recorded in the Minutes of the Council meeting.
