**What is Driveway Delineation?**  
Driveway delineation lines are installed by Council for residential, commercial and industrial properties to assist vehicular access to the property driveway. This can be particularly useful in areas with limited road width and high on-street parking demand.

**About this Application Form:**

- To apply for driveway delineation, complete all relevant parts of this form and return it to the Customer Service Centre.
- Driveway delineation lines are not a recognised traffic facility and therefore they cannot be enforced under the Australian Road Rules if they are encroached. However, it is illegal for a vehicle to be partially or completely obstructing a driveway and consequently such vehicles can be infringed by the Police or Council's Compliance Officers.
- Properties where vehicular access is on a State or Regional Road are not eligible to apply. Please refer to Part 6 (Conditions) for a list of State and Regional Roads in the Northern Beaches LGA.
- Please allow at least four (4) weeks for completion.
- The application will not be considered for assessment until the required fees have been paid.
