The distance to any structure or object in or adjacent to the area is to be a minimum of 2 metres (2.5 metres on a Classified Road). Measurements are to be shown on the location plan for all of the above matters. Location and number of proposed tables and chairs must also be shown.
Special attention is to be given to avoid the obstruction of pedestrian thoroughfares (a minimum clearance of 2 metres is required to any object in the vicinity of the Approved area) and, in plaza areas, ensuring that access corridors for emergency vehicles are kept clear. Approved areas in Rialto Square must place furniture within the paved area specifically designed for outdoor seating.
A photo/brochure nominating the proposed design of the tables and chairs must be attached to the Application Form.  NB: Chairs made entirely from PVC will not be accepted.

## Part 5: Application Details Continued

Please read through the following application details.						
An application fee (as per attached Schedule of Fees & Charges) is to be paid when submitting the Application Form.						
The application fee is not refundable if the application is unsuccessful.						
A Bond is to be paid by the applicant at the commencement of the use of the Outdoor Dining Area (as per attached Schedule of Fees & Charges).						
A copy of Product & Public Liability insurance to the value of at least \$20 million is to be attached to this application. If the Approval is granted the policy will require endorsement noting Northern Beaches Council's respective rights and interests and indemnifying Northern Beaches Council for the Approved area. A copy of the revised policy is to be attached to the Approval Agreement upon execution.						
All such Approvals are subject to consent by Council. Reports on such proposals incorporate the views of all Divisional Directors and have regard to Council's Management Plan in respect of the area involved. A minimum of four weeks is required to determine the application.						
Approvals are granted only to restaurants/cafes which supply table service and are willing to extend such table service to the Outdoor Dining Area, including china plates, cutlery, glassware etc (no disposable materials).						
The Licensee will not sell or serve or permit to be sold or served any alcoholic or intoxicating liquor in or from the licensed area except, where Council has granted specific approval and an appropriate liquor Licence has been obtained from the relevant Licensing Authorities.						
Alcohol can only be sold ancillary to a meal in the outdoor dining area. This provision shall apply as a covenant between the Licensee and Northern Beaches Council despite any provision of the Liquor Act, 1982 (as amended) which may permit the sale of alcoholic beverages to a person without consumption of a meal (eg a Dine or Drink Licence).						
The Proprietor shall not permit any patron or other person to smoke on any part of the Approved Area and shall ensure that, at all times, notices advising that smoking is prohibited are prominently displayed on each table.						
Approval occupation fees currently charged are based on the number of square metres used in the Outdoor Dining Area and the proximity of the area to the Town Centre. Fees are set in accordance with Council's annual Fees and Charges. All occupation fees for Approvals must be payable quarterly in advance.						
All new Approvals granted by Council will be subject to a six months trial with automatic continuation if no objections or other problems arise, but if objections are raised or problems arise, Council at its absolute discretion shall determine whether the Approval should be continued.						
What are your approved trading hours?						
Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
The hours of operation of the Outdoor Dining Area shall generally be restricted to the hours of 7am to 10pm Monday to Sunday. If hours of operation have been granted to the premises under a Development Application, they should not exceed the hours of operation stated in the Development Consent for the restaurant.						
If no hours are stipulated in the Development Consent the operation of the outdoor dining area shall be in accordance with those set out in SEPP (Exempt & Complying Development Codes) 2008, Schedule 8, part 4, Clause 21("the procedure hours").						
I hereby apply for an Outdoor Dining Area Approval under Section 125 of the Roads Act 1993 for a period of three years, and undertake to comply with the terms of any Approval that may be granted.
