Part 8: Permit Conditions

8.1 GENERAL CONDITIONS	<ul style="list-style-type: none"> Permits are issued for a minimum period of one (1) week Charges for occupation of the footpath are calculated according to the area required for placement of building materials or the area actually occupied by the temporary scaffolding, scissor lifts, small elevating work platforms or similar equipment No charges, apart from the application fee, apply where the footpath must be occupied to allow the planned overhead work to proceed safely, eg. Awning maintenance, window cleaning, abseiling etc. Extension of the time period may be made by arrangements with the Council. Application Permit Fee must be paid Not all sites are suitable for the placement of building materials. Council reserves the right to reject an application on the basis that it would cause access problems to pedestrians or vehicles. The locality sketch shall be approximately to scale and shall show the proposed dimensions; location of existing building frontages; existing kerb line; footpath width and any other adjacent streetscape items such as parking metres; service poles; street trees and street furniture.
8.2 SITE SAFETY	<ul style="list-style-type: none"> All traffic control shall be in accordance with either the current version of AS 1742.3 and its associated handbooks or the RMS Manual – Traffic Control at Work Sites. Plans modified those that appear in the above mentioned documents shall contain a reference to the standard plan on which they are based. Where the works to be undertaken are likely to affect vehicular traffic within 100m of any set of traffic lights, a Road Occupancy Permit will be required from the RMS Pedestrian and vehicle access to private properties shall be maintained at all times. Responsibility for pedestrian and other road users' safety rests with the applicant from the commencement of work until completion. The permit holder must ensure that the site for placement of the building materials is maintained and operated safely and that pedestrians have free access to the remaining area of the footpath. A clear passage of at least 1.5m must be maintained at all times in front of exit doorways from adjoining and adjacent premises. All traffic control plans shall be available on-site at all times
8.3 DEVELOPMENT CONSENT	<ul style="list-style-type: none"> Permits for the storage of building materials off-site will only be issued where appropriate development consent, DA or CC, exists for the site concerned.
8.4 ENVIRONMENT PROTECTION	<ul style="list-style-type: none"> The permit holder is responsible for any environmental pollution resulting from the building materials. Shall pollution occur, the permit holder is responsible, at their own costs, for returning the affected area its condition prior to the pollution. If the permit holder does not comply, Council may undertake the necessary work and the permit holder will be required to reimburse Council for the cost of this work plus overheads. On-the-spot fines can apply to corporations or individuals who fail to prevent pollution of public land.
8.5 DRAINAGE AND INFRASTRUCTURE	<ul style="list-style-type: none"> Building materials shall not cover or prevent access to public or private utilities and drainage pits Building materials shall not, at any time, be stockpiled against tree trunks, buildings, fences or obstruct the free flow of water along gutters. Building materials shall not obstruct the view of advisory regulatory signs and any traffic controls
8.6 REINSTATEMENT	<ul style="list-style-type: none"> When the permit expires, the permit holder shall, at their own expense, remove all building materials and ensure the area is returned to its original condition.
8.7 CANCELLATION	<ul style="list-style-type: none"> Council reserves the right to cancel the permit if the building materials do not conform with the description provided in the application or the materials extend beyond the approved permit area. Council also reserves the right to cancel the permits should there be a change of Council policy on this issue. <p>THE PERMIT SHALL BE RETAINED AT THE SITE AND PRODUCED FOR INSPECTION BY AN AUTHORISED COUNCIL OFFICER AT ANY TIME DURING THE PERIOD OF THE PERMIT</p>
8.8 ROAD OCCUPANCY LICENCE	<ul style="list-style-type: none"> A separate 'Roads and Maritime Services - Road Occupancy Licence' approval must be obtained prior to submitting this application when building materials stand within 100m of traffic lights and/or stand on any State or Regional Road as listed below. Roads and Maritime Services (RMS) require approx. 10 working days notice to assess and approve a Road Occupancy Licence. You must contact the RMS to apply for a Road Occupancy Licence: Transport Management Centre, 25 Garden Street, Eveleigh NSW 1430 or PO Box 1625, Strawberry Hills NSW 2012, Phone 8396 1584, 8396 1512 or 8396 1513.
