## 6. Key Terms and Conditions

Please refer to "Cemetery Regulations" for full terms and conditions

1. An Interment Right is a contract with the cemetery operator that allows interments to take place in a particular location in a cemetery.  
**There is no entitlement to any real estate.**
2. **The Interment Right application fee does not include extras, e.g. interment site digging fees, maintenance fee, memorial permit fee, or other administrative charges.**
3. The interment rights for a monumental burial site include a site in a monumental burial site for 2 in-coffin interments and up to 6 ashes. No monumental work is included.
4. The interment rights for a headstone lawn burial site for 2 in-coffin interments include a granite headstone (already installed) with space for two inscriptions but does not include the inscription plaque/s. The site can be used for up to 6 ashes interments but additional inscriptions must be attached to the supplied headstone at the discretion of the Cemetery Manager and must not encroach into adjacent grassed areas.
5. Fees must be paid in full before an interment is performed, or a plaque/headstone/monument is ordered. Council accepts cheque, VISA, MasterCard and Bpay payments. Credit card transactions incur an additional fee. Please note: if a purchase is for a service that is to occur within seven (7) working days, a personal or company cheque is not acceptable.
  - For lump sum payments, the Applicant will be issued an invoice and will be required to pay the full balance of the purchase price within 48 hours prior to a scheduled funeral service or within 30 days if not for immediate interment.
  - For monthly instalment payments the Applicant will be required to pay a deposit of 20% within 30 days and 11 monthly payments over a maximum of 12 months. The Applicant will be sent one invoice at the start of the 12 month period and must make arrangements to pay the instalments on a monthly basis using the reference number noted on the invoice via the methods listed above.

If payment is not received in accordance with the above conditions, Council may cancel the application. If this occurs, Council will refund any payments already made (less cancellation fee).
6. Interment Rights issued to multiple applicants are held jointly. On the death of a joint holder of an Interment Right, it passes on to the remaining joint Interment Right holder/s.
7. A certificate will be issued to the holder/s as proof of ownership and may be requested when booking an interment service. A replacement certificate may be issued if the original certificate is lost, stolen or destroyed, on application and payment of Council's associated fee.
8. The Interment Right holders' preferred funeral director or other designated person is responsible for coordinating the interment and funeral arrangements (including compliance with Council's policies and applicable legislation and regulations).
9. A memorial to the deceased person can be erected upon the interment site, subject to the following:

10. Council reserves the right to refuse permission for any proposed memorial construction or alteration in its absolute discretion without assigning any reason. Council has the right (but not the obligation) to remove any unapproved memorial or alteration without notice to any person.

11. Council may accept and process any application concerning an Interment Right from any person/s declaring they are authorised to do so (upon provision of written or documentary evidence satisfactory to Council and payment of the associated fee).
12. Council may repurchase unused Interment Rights from the holder/s in accordance with Council's then current policy.
13. A Holder's Interment Rights may be transferred, but only after consultation with Council. Transfer of the Interment Right is only operative when a Transfer of Interment Right Application is submitted with payment of the associated fee, and approved and processed by Council.
14. Any unused Interment Rights of a deceased Holder can be transferred pursuant to the will or intestacy of a deceased Interment Rights holder. In this instance, the transfer of the Interment Right is only operative when a Transfer of Interment Right Application is submitted with payment of the associated fee, and approved and processed by Council.
