## About this form

This application form is for the installation of temporary ground anchors under Council's footway/road reserve. Council does not approve temporary ground anchors under private properties.

A separate approval is also required to be obtained from the Roads & Maritime Services (RMS) if it is proposed to install ground anchors under a State or a classified Regional Road. Council will not approve the application unless Roads & Maritime Services (RMS) approval is obtained first. Works within a public road must not commence until you receive an approval letter and a signed Deed of License in writing via post/email from Council.

Note: Council will NOT approve permanent ground anchors in the Road Reserve area
